

# Engaging for Impact 2018

## ACADEMIA & INDUSTRY CO-CREATING OUR FUTURE

Join us for [Engaging for Impact 2018](#) – RMIT's premier annual event connecting our research and innovation leaders and international industry to identify collaborative opportunities that will help meet tomorrow's challenges today.

This three-day event boasts an exciting line-up of industry speakers across panels, interactive workshops, masterclasses, tours, creative installations and hackathons.

Event themes will explore Big Data Society, the Future of Care, Disrupting the Industrial Economy and Urban Transformation.

Taking place at RMIT City Campus from 13-15 February -- register now!
